List of Guns N' Roses members

The band continued touring in the years following the 2008 release of *Chinese Democracy*, including the 2012 which saw the group downgrading its production for a run of shows in smaller venues.

List of Guns N' Roses members

Reports of a follow-up to *Chinese Democracy* were made by various members of the band during these years, too, including Ashba and Fortus in 2012, and Rose and Reed in 2014. The tour, which began with a 12-night residency in , spawned the group's first live release since 1999, , in 2014. His first addition was former guitarist , who joined to replace Slash in August on a two-year contract.
