Josef Albers

For instance, some consisted of three differently colored squares while some were composed of four squares each. The earliest early 1940s look like unfortunate experiments in Modernist graphic design.

Josef Albers

Since there were endless possibilities to use different colors, the squares were merely there to show how different colors react to the spaces in which they are used. In the book *Josef Albers: To Open Eyes: The Bauhaus, Black Mountain College, and Yale* by Frederick A. With a selection of over 3,000,000 images, AllPosters has something for every budget and decorating style.

Josef Albers

The performance - how it is done - that is the content of art.

Josef Albers

M Turner Josef Albers, one color as two Josef Albers, two color as one 1. Homage to the Square: Apparition 1959 For other abstract works similar to those produced by Albers, see:.

Josef Albers
