D68 Climb

Some say that because Lord Krishna is the Supreme Personality of Godhead, His hands must be very soft and gentle, and others say that for the same reason His hands must be very hard and strong. D68 Climb

Lord Kṛṣṇa is attractive to everyone. Did the creator Brahma create two wonderful sapphire posts disguised as Shri Krishna's arms and fitted with a swing of charming sweetness to swing the minds of Lakshmi and all other women? Those who see Lord Krishna's lips, which are more handsome than the bimba fruit, lose all attraction for anything else.

Memories of a Bhūta past

He is grave and fully qualified, He is the beautiful youthful teenager who steals the minds and eyes of everyone in the world. Bavella from the bottom

All glories to the gopi-friends of the Divine Couple! I worship lotus-eyed Krishna's lotus feet, which the lotus-eyed gopis hold as a toy in their lotus hands, as a splendid bloom in the golden vase of their breasts, and as a red lotus growing in the lake of their hearts. Travelers will have to stay in hotels and not be allowed to go outside. Only because of Madhava's Krishna's all-attractive power! Nevertheless, the Brahmins adopted the bhūtas, and the bhūtas, the Brahmins.

On the other hand, bhūtas remained firm as the reigning deities in the Bunt and Billava homes.
