### What is redundancy Counselling?

If you were made redundant as part of a group, it might help to contact your ex-colleagues for moral support and to discuss your back-to-work strategy.

### Redundancy counselling UK

The dictionary defines redundancy as the state of being no longer needed or useful, and whether that description applies to machinery or human beings - the implications can be gloomy. Retraining, managing finances and keeping morale are a priority.

### Redundancy counselling, Employee Counselling Today

Be clear and polite when negotiating.

### Redundancy counselling UK

Generally people who have been able to face up to adversity feel they have changed, grown, or even benefitted as a result of their experience.

### All About Redundancy Counselling

The toughest thing for some people is feeling as if they have no purpose, and staying positive within a routine. This applies if the employee has worked for you for 2 full years or more including the notice period.

### Redundancy Counselling & Support

Finding ourselves redundant can have a knock-on effect in many areas of our lives and this can cause grief on several levels. Think about using stepping stones towards a path for the future, whether that might involve moving, doing voluntary work or retraining.
