Thomas and Annis. On this reading of the mirroring view, my friend plays an entirely passive role: just by being himself, he enables me to come to understand my own character better of.

### “Moral Friendship” in Kant, Kant

In the Critique of Practical Reason, Kant argued that this Highest Good for humanity is complete moral virtue together with complete happiness, the former being the condition of our deserving the latter. We are to respect human beings simply because they are persons and this requires a certain sort of regard.

### 20th WCP: The Role of Love in the Thought of Kant and Kierkegaard

Instead, it's a law that we, as rational beings, must impose on ourselves. Only he who, himself enlightened, is not afraid of shadows.

### “Moral Friendship” in Kant, Kant

For Kant, morality was not a matter of subjective whim set forth in the name of god or religion or law based on the principles ordained by the earthly spokespeople of those gods.

### 25 Immanuel Kant Quotes on Pure Reason and Morality

Indeed, we respect these laws to the degree, but only to the degree, that they do not violate values, laws or principles we hold more dear.

## **Best Quotes About Friendship From the Greatest Thinkers**

In solving this problem of fungibility, philosophers have typically focused on features of the historical relationship of friendship cf. But the third of the traditional theological virtues seems to be conspicuous by its absence from Kant's thought.

### **3 Types of Friendship, According to Aristotle**

Unlike Kant's benefactor who places the other in debt by an act of kindness, Kierkegaard supposes that the one who loves has an infinite debt because they are gripped by love. The common error of previous ethical theories, including sentimentalism, egoism and rationalism, is that they failed to recognize that morality presupposes that we have autonomy of the will.
