Maritime Law FAQ

Situations involving maritime injury or wrongful death not covered in the above acts, including the death of passengers within the three-mile territorial coast of the United States, are frequently covered by general maritime law. Many people think of PTSD as something only war veterans experience. There are many laws that govern compensation for workers and their families, including the Jones Act, the Longshore and Harbor Workers Compensation Act, the Outer Continental Shelf Lands Act, and general maritime laws.

Maritime Law FAQ

Advantage n°2 : Time is of the essence and prevent risk of time limits by Statute of limitations. All material on this site is not intended, and must not be taken, as legal advice.
