## Working at Street Fleet: Employee Reviews

Ye Olde Cheshire Cheese NE Map: D-9 - This charming little pub was frequented by Dickens. The building is relatively thin and tall and the challenges with photographing the building using a fixed 50mm lens are apparent as I could not get in the top of the building without the front being at too oblique an angle.

## Lost London

BARROW, Charles, music seller, partner of Thomas Culliford q. Nothing's gonna harm you, darling, not while I'm around.
