Justice Denied: Political Violence in KwaZulu

. The criminalized character of the emerging market was veiled by the idea of equal opportunities for everyone under the new economic conditions.

Political Violence: 1990

Even where information was freely available, western scholars of crime and society in Russia have failed to recognized their existence and importance to the field research. To the extent that the ANC was identified as the main adversary of the National Party in the prospective negotiations process, it suited the government to face a weakened rather than well-organised adversary.

Political Violence: 1990

The thieves assembly examined the charges a man was sentenced for, how many years one had spent in which prisons, and if he had ever been recruited by the prison administration.

Russian Organized Corruption Networks and their International Trajectories

The Hostel Phenomenon By the middle of August the East Rand townships of Thokoza, Vosloorus, Duduza, Katlehong, Wattville, Tembisa, Daveyton and Kwathema were embroiled in internecine violence.

Russian Organized Corruption Networks and their International Trajectories

This section further examines the criminalization of the Soviet economy due to the inadequacies of central planning, and the emergence of the thieves-in-law as critical players in the shadow economy of the Soviet Union. An empirical test of general strain theory.

Political Violence: 1990

In the second half of the 1930s, law enforcement experts realized the danger of the thieves-in-law clans. The random, rather than political 'selection' of victims characterised by the 'Denver train massacre' on 13 September, suggested that the only possible political motive in the attack was destabilisation or disruption.
