Lip Service: The Truth About Women's Darker Side In Love, Sex, And Friendship by Kate Fillion

More important, she demonstrates in powerful terms how confining and self-destructive this skewed perspective is for women in all aspects of their lives - including office politics, their intimate relationships with men, their friendships with women, and their own self-images. Geraldine and Floriana offer the public the Italian web this their first job to try to draw one of the many contours of love and friendship between young women. Alex, a walking lesbian stereotype, and Kate, a jokester looking for love exclusively online, help each other navigate through self-created drama.

6 Things You Do During Oral Sex That Women Absolutely Hate

More important, she demonstrates in powerful terms how confining and self-destructive this skewed perspective is for women in all aspects of their lives - including office politics, their intimate relationships with men, their friendships with women, and their own self-images. It's easier for the reader to take than if I lampooned another woman's behavior.
