Key Dates

The feedback from our conversations with residents, visitors, businesses, and developers is that you want a green, liveable city centre that fosters creativity and opportunity.

City Centre Strategy

Over the next 15 years, we will connect people, goods, information and ideas through investing in physical and digital infrastructure, mobility projects, and developing stronger networks and utility resilience. It must adapt to the evolving needs of a new generation of work and business and the way people live, travel and access amenities, goods and services.

Downtown Strategy

Glasgow City Centre Strategy 2014-2019 The Glasgow City Centre Strategy has been developed collaboratively within Glasgow City Council Services, the business communities, Glasgow Economic Leadership and other city centre stakeholders and organisations. Work has commenced on Phase 2 of the DRF, which includes the areas of Broomielaw, Blythswood, Central and St Enoch.

Key Dates

This involves closing off a lane to motor vehicle traffic and opening the lane for anyone walking, running, cycling, rollerblading and the like.

Transforming Cities

Everything is geared towards delivering jobs, growth and prosperity over the next decade. The has established partnerships and collaboration to drive a wide range of actions to improve the quality of the city centre for all.
