Social work, social welfare, and American society : Philip R. Popple : Free Download, Borrow, and Streaming : Internet Archive

Political Perspectives and Social Welfare Issues. Wright Mills meant by individual troubles and public issues, and how this relates to the social work perspective; differentiates between an individual treatment and a social-change approach to human problems; overviews the development of micro-practice, macro-practice, and the generalist approach; overviews the development of the concept of integrated methods and how this led to a more unified theory of social work practice. It allows students to place welfare developments in an historical context.
