Citizen Initiatives: a new feature to increase citizens' say in policy

Local Partnerships is currently working with a number of authorities to develop responses to declarations of climate emergency. This £17m Executive-endorsed initiative involves a major programme of capital works to help regenerate the town in the run up to and beyond the 148th Open, which is to be held at Royal Portrush Golf Club in July 2019. These would still allow the traffic to pass, but make the meeting and playing spots safer and more pleasant.

Department welcomes planning approval of regeneration initiative in Portrush

The concept was drawn initially to reinvigorate pedestrian linkages between the East Strand and West Strand through the town centre to bring together the natural environment and urban experience which make Portrush unique.

Smart city

The e-Stockholm platform is centred on the provision of e-services, including political announcements, parking space booking and snow clearance. ACM Transactions on Knowledge Discovery from Data TKDD , 13 4 , 45.

Portrush Regeneration Programme

Recognizing that much of the inherited wealth of white donors was extracted from the labor of enslaved Black people, they approach their support of Black-led social change as reparations that are necessary in transforming systemic oppression. Local Partnerships appointed a Strategic Director in October 2019 to help shape our support in this key area for councils.

Know the rules: As construction continues, the CICV Forum helps workers stay safe with new and updated guidance

Now, more than ever, is it so important to connect communities and to help reduce isolation for all ages.

Portrush regeneration project on the back nine ahead of Open

The enhanced frontage onto Eglinton Street, will create a more prominent sense of arrival to the town as a key gateway to the Causeway Coast.

Full steam ahead for Portrush Regeneration Programme

The project has a two-year remit to demonstrate the capability of IoT applications and address barriers to deploying smart cities, such as city governance, network security, user trust and adoption, interoperability, scalability and justifying investment.

Home

Other materials were Yellow Rock, Kobra and XR Red granite blister tactiles and Kobra granite corduroy granite tactiles — again, chosen for the colour aesthetic to the surroundings and the durability aspect.
