**Insula Capri din Italia! Ghid de calatorie pentru a vizita acest paradis in doar o singura zi!**

In unele locuri e intuneric, cativa turisti indrazneti se arunca in apa si inoata fericiti.

Ar fi util, ca să nu stai la coadă pe insulă, dar noi nu am plecat din Sorrento, așa că nu știu sigur. Prima oprire a Baschetilor mei Calatori a fost micul orasel Capri!

Feriboturile lente sunt mai economice si sunt singurele nave care pot imbarca autovehicule.

Dar noi nu ne-am lasat intimidati de aceasta, ci ne-am bucurat din plin de razele calde ale soarelui, luand micul dejun pe incantatoarea terasa a , pentru ca mai apoi sa ne profitam la maxim de lumina blanda a diminetii si sa facem o multime de fotografii prin imprejurimi. The island can be reached from the ports of Naples by hydrofoil or ferry. Dar cu privelistea catre Oras Napoli si Vulcanul Vezuviu, se digera bine pretul.

### **Insula Capri, probabil cel mai romantic loc din Europa**

De origine vulcanica, Ischia a devenit faimoasa pentru apele sale termale si minerale, care au devenit motorul turismului, singura sursa de venit pentru localnici. La sfârșitul fiecărei preluări trebuie să existe un link către. The town of is a and the island's main population centre.
