### Film Preservation Basics

The real problem remains a lack of funding for animation, not a lack of interest in it. It was a marvelous experience. According to the cinema scholar Leo Enticknap, the views held by Usai and Fossati could be seen as representative of the two poles of the digital debate in film preservation.

### Women's Film Preservation Fund

Film preservation is not to be confused with film , in which long-completed films are subjected to never previously seen being inserted, newly inserted music scores or sound effects being added, black-and-white film being or converted to stereo, or minor and other cosmetic changes being made. Your donation to any of our is tax deductible.

### Portland Film to DVD Transfer Service
