## What is Pien

They originally formed part of the Li Chi, the Book of Rites. At all events, they are not archaic characters, as some have been led to believe by the half accidental, half intentional resemblances to them appearing here and there among ancient characters.

## Economic plants of ancient North China as mentioned in Shih Ching (Book of Poetry)

In evaluating manuscripts, the Editor of HJAS is guided by its Editorial Board and acts on the advice of referees worldwide. The germinal phase is the crux. All individuals are not equally fitted to consult the oracle.

## Shang

Two collections belonging to antiquity are mentioned: first, the Book of Changes of the Hsia dynasty, is called Lien Shan, which is said to have begun with the hexagram Kên, KEEPING STILL, mountain; second, the Book of Changes dating from the Shang dynasty, is entitled Kuei Ts'ang, which began with the hexagram K'un, THE RECEPTIVE. Nearly all that is greatest and most significant in the three thousand years of Chinese cultural history has either taken its inspiration from this book, or has exerted an influence on the interpretation of its text.

## Shih Hu, Chung

Studies on the origin of cultivated plants. Obviously, the right course brings good fortune and the wrong course brings misfortune. Japonica Rice: Its breeding and Culture.

## Shang

According to tradition, 2205-1766 B.

## Shang

The Commentary on the Images also goes back to him, though less directly. The judgments clothe the images in words, as it were; they

indicate whether a given action will bring good fortune or misfortune, remorse or humiliation. For this reason, the numbers 7 and 8, never appear in the portion of the text dealing with the meanings of the individual lines.

### **Chung**

Each situation demands the action proper to it.

### **Shang**

He soon found emulation, and the teachings of the yin-yang school of magic were displaced, in relation to the book, by a philosophy of statecraft that was gradually developing. As products of the vegetable kingdom, these were considered to be related to the sources of life. The third element fundamental to the Book of Changes are the judgments.
