The Truth About Littleton Coin Company

It would be the ultimate in hypocrisy for the United States to be constantly bringing democracy and free-trade by force to every nation of the world while at the same time destroying the freedom of her own patriotic, law abiding and peace loving citizens who know full well that gold and silver are the only righteous and lawful money of the US Constitution.

Legal issues and gold

Some people never return the coins, and Littleton must absorb the loss of those coins. It's hard to imagine this happening again, but it's important to be aware of the very real history of gold confiscation in the U. Citizens can buy and hold all the gold they want provided they follow the laws when purchasing and the tax rules when taking profit.
