Access to justice

But the legislators just exempt themselves, and they exempt themselves from a lot of things. The highest barriers to access to the legal system are its complexity and costs. Let those who frequent the law courts - the best of them - bear witness to the fact that the atmosphere about them is foetid.

Accordingly, a lawyer must tactics that would defeat the fair administration of, even while working vigorously to advance the interests of a client. The committee gave suggestions in this regard and the Supreme Court issued the following interim directions with regard to prevent and control strike by advocates. Following on from the release of this report, the Australian Centre for Justice Innovation hosted a number of seminars with Dr Warren Mundy as special guest speaker, reflecting on the report's findings and recommendations.

The problem that arises in small jurisdictions or country towns or villages cannot be ignored, however perhaps the starting position should be that the lawyer is not to act for both parties unless there is no other suitable practitioner available to take the instructions. Should he demand a jury trial for purposes of delay when such a trial would have no advantage for his client? Most of these efforts were ultimately rebuffed by the Supreme

Court, which carved out an exception to the antisolicitation rules for nonprofit public interest lawyers.

Role of lawyers in the legal system

I am strongly of opinion that lawyers and doctors should not be able to charge any fees but that they should be paid a certain fixed sum by the state and the public should receive their services free. .
