## 12.4 Schizophrenia: The Edge of Reality and Consciousness

Educational materials may not be accessible in other languages, so for communities that are ethnically diverse, this can make it difficult for non-English speakers to access the full breadth of services.

**Book Review: Schizophrenia, Culture and Subjectivity: The Edge of Experience.** Edited by Janice Hunter Jenkins and Robert John Barrett. Cambridge Studies in Medical Anthropology: Cambridge, UK. 357 pp, Medicine and

That they are suffering often from homelessness and inability to pay rent. .

## Schizophrenia: The Edge of Reality and Consciousness

Schizophrenia after prenatal famine: Further evidence. The book itself offers a glimpse of the reality of living with schizophrenia and the multiplicities and contradictions that accompany the disease.

## Schizophrenia: The Edge of Reality and Consciousness

People suffering from schizophrenia also often suffer from the positive symptom of derailment—the shifting from one subject to another, without following any one line of thought to conclusion—and may exhibit grossly disorganized behavior including inappropriate sexual behavior, peculiar appearance and dress, unusual agitation e. Archives of general psychiatry, 53, 25—31.

## 13.4 Schizophrenia: The Edge of Reality and Consciousness

Journal of Clinical Psychiatry 57 Suppl.
