## The Eye of the Painter and the Elements of Beauty

Venus in her shell is the focus of the painting. They reckon that there is no harm in weeping along with the hero, enjoying an emotional release without the responsibility one feels in real-life situations.

## 45 Most Famous Paintings of All Times

Creation of Adam is just one part of this huge fresco but it is regarded as one of the most important and artistically impressive parts of the whole work. It fueled the cult of idealized or courtly love through the Middle Ages, in which the beloved became a symbol of the infinite. There is an historical connection between idealist accounts of beauty and those that connect it to love and longing, though there would seem to be no entailment either way.
