## 10 Common Phrases You Should Never Say to Your Customers

To me, it makes my initial apology worthless. Took some time till she came back and told she would never marry me because I were a shit.

### People who don't say (guilty, person, introverted)

The chance that a woman will end up with this particular combination of characteristics is simply the luck of the draw. Apple Podcasts Spotify  
Stitcher I love prenuptial agreements, or prenups for short.

### Why We Really SHOULD Never Say Never

Lastly, I wish you well. I have had to wait 6 months for an admission of fault and then still no apology. I find it rude and very unfriendly, but hey, I shouldn't be surprised.

### The One Word Never to Say: Why Can't You Say Alleluia During Lent?

The frugal life is actually a happy life. Also I think the full moon thing is stupid as well.
