Earliest volume in his European illustrated book collection is Boethius' De Consolatione Philosophiae with 70 woodcut illustrations Strasbourg, 1501.

The Art Directors Who Came From Europe

I think these are great volumes. These 100 portraits dating from 1481 to 1989 were created by some of the most influential artists of their generations, such as William Blake, Constantin Brancusi, Jean-Antoine Houdon, Edouard Manet, Robert Nanteuil, Willem de Passe, and August Rodin.

Artists whose works are found in these volumes include Isaac, Robert and George Cruikshank, Henry Alken, J.

From Quill to Press: The Development of Graphic Arts in the Middle Ages

Some scribes would name themselves in the margins of their manuscript, or in a colophon at the end Kerrigan 20.

It is where you live surrounded by all sorts of objects of art: books, prints, shells, stuffed animals, renaissance medals, Greek coins, stamps, and

prints. Life in those days was very different.

Entropy Books

In his book *The Library: An Illustrated History*, Stuart Murray recalls an ominous verse written at the end of a medieval manuscript. With printing now a common tech and competition fueling innovation, artists and designers were pushed to explore new styles and techniques, which quickly trickled into advertising and branding.
