Jesus Says Stay Awake

Many people experience heat in their body, when the Lord is healing or ministering to them. Or consider that today, in many countries like North Korea, Afghanistan, northern Nigeria, and Sudan — being a Christian in these places is a death sentence. Help us bring the Orthodox Faith to the fingertips of Orthodox Christians worldwide! No longer am I ruled by the forces of evil but by the God above all gods.

GROW IN CHRIST JESUS: BE UP AND AWAKE TO WHAT GOD IS DOING!

Jesus summarized this by showing that the really happy ones are the alert ones, the active ones, those who keep awake to their responsibilities. If so, you have a work to do to show yourself a Christian in deed and not in name only. The mirror we are looking into is the Word of God, and what is reflecting back to us is the glory of God that we are to become. Historically unstable rather than once for all, it requires the pursuit of holiness in the world in every generation. Marriage Tune Up Friday, February 12th at 7PM It is TUNE UP TIME...and we are not talking about instruments...or cars...WE ARE TALKING MARRIAGE! Rather than watching each individual, we were to observe the whole scene for anything unexpected or out of the ordinary.

“Keeping the World Awake to God”: The Challenge of Vatican II (photocopy)

This picture by Daumier could very well serve as an illustration to what Jesus means. Discovering Christ is like that sliver of light that breaks through the darkness. As their spirits were awakened to God, they pressed in, to smell the coconut, pineapple and spice essence that was being released in the atmosphere.

Worship: Awake to the God IN Us

Historic Christianity, and even things like logic and science, are seen as oppressive, racist, bigoted, etc. Put on the whole armour of God. This is people from every conceivable direction there is.
