Managing the Monstrous Feminine: Regulating the Reproductive Body

Regulation and Resistance: Women's Negotiation of Embodied Subject Positions. These insights into the relation between the construction of the female body and women's subjectivity will be of interest to those studying health psychology, social psychology, medical sociology, gender studies and cultural studies.

Managing the Monstrous Feminine by Jane M. Ussher, J. M. Ussher, Paperback

Her current research focuses on women's sexual and reproductive health, with particular emphasis on premenstrual experiences, and gendered issues in caring. This in part may be due to the style of writing, which ranges from the academic to the almost poetic.

Managing the Monstrous Feminine by Jane M. Ussher, J. M. Ussher, Paperback

Including sections on 'regulation', 'the subjectification of women' and 'women's negotiation and resistance', this book describes the construction of the 'monstrous feminine' in mythology, art, literature and film, revealing its implications for the regulation and experience of the fecund female body.

Managing the Monstrous Feminine: Regulating the Reproductive Body

And the fecund body is not a curse: it is not a site of pollution and defilement. She is author and editor of a number of books, including *The Psychology of the Female Body* and *Body Talk: Material and Discursive Regulation of Sexuality, Madness and Reproduction*. *Mad, Bad, Bloody Women: The Shame of Menarche and Pathologizing of Premenstrual Change*.

Managing the Monstrous Feminine: Regulating the Reproductive Body

Managing the Monstrous Feminine: Regulating the Reproductive Body

Managing the monstrous feminine takes a unique approach to the study of the material and discursive practices associated with the construction and regulation of the female body. Jane Ussher examines the ways in which medicine, science, the law, and popular culture combine to produce fictions about femininity, positioning the reproductive body as the source of women's power, danger, and weakness.

Managing the Monstrous Feminine by Jane M. Ussher, J. M. Ussher, Paperback

The case histories are reassuring and will be beneficial to the women who read them. Managing the monstrous feminine takes a unique approach to the study of the material and discursive practices associated with the construction and regulation of the female body. The case histories are reassuring and will be beneficial to the women who read them.
