## COMPLETE PC UPGRADE AND MAINTENANCE GUIDE

Chapter 17: Troubleshooting Laser Printers. I've taken several technical support certification courses, and this was the textbook I used in half of them.

## COMPLETE PC UPGRADE AND MAINTENANCE GUIDE

Computer shops have special tools for removing keys, but you can also pop them off by using two pencils with broken tips as jumbo tweezers-- just be sure to use a soft touch. Think Outside the Box Before you get started cleaning, check around your PC for anything nearby that could raise its temperature such as a heating duct or sunshine coming through a window.
