The Number 13 & The Divine Feminine

If you have a masculine Moon sign, you will probably need a good amount of independence so you can make your own decisions in your life.

The Feminine Moon Cycle

I'll post it here: Both you and muadh are correct in your own right. I want to be with people who submerge in the task, who go into the fields to harvest and work in a row and pass the bags along, who are not parlor generals and field deserters but move in a common rhythm when the food must come in or the fire be put out. The unbound roundness of the work alerts the viewer that they're in a purely feminine domain.

Moon Question of the Day

You Lead With Your Emotions Ever feel extra emotional for no reason in particular, only to find out that, surprise: it's a full moon? Re-directing and focusing power are male functions, explaining further why in the most ancient traditions the Sun was female and the Moon male.

The Masculine & Feminine in Astrology

But then again, just my interpretation. Be prepared to make decisions on the spot, and do not lose your cool when things come at you out of nowhere. Like an intelligent woman attempting poetry, as opposed to an intelligent poet writing poetry.
