### air raid precautions : definition of air raid precautions and synonyms of air raid precautions (English)

There were less than three casualties for each ton of bombs dropped by the in many British cities and the expected social consequences hardly happened. In the book, Haldane strongly criticises the measures taken by the government based on his professional knowledge of human physiology combined with his front-line experiences in the Spanish Civil War. There are a number of other estimates of total fatalities, however, which range from 241,000 to 900,000.

### Anderson Shelters: The Backyard Bunkers That Saved Britons From Luftwaffe Bombings

These Fire Guard Messengers would run or cycle through the night raids ferrying messages between ARPs and the fire department units and incendiary volunteers with their buckets of sand.

### Air Raid Precautions in Australia during WW2

A Luftwaffe terror bombing attack on the Spanish city of April 26, 1937 during the had killed hundreds of civilians and destroyed much of the town. A raid against Ōmura on 25 October destroyed the city's small aircraft factory, though a follow-up raid on 11 November ended in failure.

### Air Raid Precautions in the United Kingdom

Davies also set up medical stations and persuaded off-duty medical personnel to treat the sick and wounded.
