### 6 Employee Wellness Trends for 2020

Deciding which are worth investing in and getting your team on board with change is often the hardest part. However, the availability and scale of gift options has been limited and personalization and technology capabilities HR departments and managers have access to may leave much to be desired. Sandy Petzoldt is licensed to offer securities and insurance products in CO, NE, KS, MN, WY, IA, SD, DE.

### 6 Healthcare Benefits Trends of 2020

No shock here, but healthcare costs are growing each year—annual family premiums for employer-sponsored health insurance , according to the Kaiser Family Foundation—and have reached unsustainable levels. Employers underestimate the value of these intangible factors to employees and, as a result, could be missing opportunities to more deeply engage their workforce. A common belief is that for a company to attract purpose-motivated employees, they must have an altruistic mission driving their organization.

### Employee Benefits Trends for 2021

They are a key food in healthy diets and have many benefits. Micha R, Shulkin ML, Peñalvo JL, et al. Chapter 2: Driving Employee Engagement and Reducing Stress Employees who feel supported by their employers report feeling more successful, valued, engaged, productive and respected.

### 2019 Employee benefit trends

When employees understand the relevance of their benefits to their lives, holistic benefits packages are a boon to employers as well. Holistic benefits plans are constructed to address all aspects of care, including mind and body components.

### 9 Employee Benefits Trends You Need to Know for 2020

Just 1 cup 240 mL of cooked black beans will give you 15 grams g of fiber, which is about half of the recommended daily amount for adults. But now, there are plenty of American versions too, , a friendly hospital droid designed to assist human nurses with routine tasks such as fetching and

restocking supplies. To help solve for both employee and employer goals, we first have to take a close look at what is causing strain on employees and better understand what will both motivate them and minimize their stress.

### **2021 employee benefit trends to watch**

Advisory services offered through Cambridge Investment Research Advisors, Inc. Employers are stepping up to expand health offerings to help employees — for example, Starbucks recently announced that employees and their families will receive 20 free counseling sessions a year. Health insurers such as Harvard Pilgrim are partnering with many of these platforms and making them available to their member population.

### **Top Employee Benefits Trends for 2020**

Records are not only 100% accurate, but also harder to hack.
