. However, the production quality is excellent and the information is presented well. Good editing, Good Narration, thorough descriptions of techniques, talented paddlers.

Performance Kayak

These are the kayaking tips and techniques that help you improve. We are planning a 3 day excursion next weekend.

Performance Kayak

Hear the experts talk about navigation, big crossings, and dealing with wind and weather. Hopefully we will sow seeds of inspiration for other paddlers who dream

Performance Kayak

I just started kayaking a few months ago and I just recently turned age 56. .

I will probably wear it out! I knew they worked to see businesses grow and be successful and overall what that good work was doing for the town. After four years of paddling, this tape showed me what I needed to know to move my bracing and recovery strokes up to the next level. Excellent coverage of sea kayaking techniques including bracing and rescue.

Performance Kayak

Was very helpful to my white water kayaking as well, by applying some of these bracing methods. Join world renowned and experienced instructors as they explain the important elements of paddling strokes, rescues, and trip preparation for sea kayaking.
