**Task Force on Study of Marriage**

**presents final report**

References cited by expert reviewers were also included. American Academy of Pediatrics; 2017.

### Governor's Task Force on Independent Investigations of Police Use of Force

Davidson, PhD, MASc Feinstein Institute for Medical Research at Northwell Health, Manhasset, New York ; Carol M. Clin Infect Dis 2002;35 Suppl 2 :S187-90.

### Final report of the Oregon Venereal Disease Task Force.

A random sample of 7,300 physicians found that only 56 percent of respondents always reported syphilis to the health department when detected. Interventions for adolescents who were not yet sexually active aimed to delay sexual activity or encourage abstinence.

### Final report to the Department of Environmental Quality & Department of Agriculture

The USPSTF tailors the scope of these reviews to each topic. The US Congress mandates that the Agency for Healthcare Research and Quality AHRQ support the operations of the USPSTF. A randomized controlled study of two educational interventions on adherence with oral contraceptives and condoms.

### Final report of the 2007 Agent Compensation Task Force

Preliminary evaluation of an immunochromatographic strip test for specific Treponema pallidum antibodies. Sex Transm Dis 2002;29 5 :277-84.  
Kate Brown — privatizing public universities and selling SAIF, the state's workers compensation insurance agency.

## **Task Force on Study of Marriage presents final report**

Behavioral Counseling Interventions Intervention approaches include in-person counseling, videos, websites, written materials, telephone support, and text messages. In a clustered RCT among 7 pairs of primary health care clinics with over 7,000 women in South Africa, providing on-site testing for syphilis reduced treatment delays by an average of 16 days, but did not improve treatment rates or reduce perinatal mortality compared with usual laboratory-based testing.

## **Final Recommendation Statement: Sexually Transmitted Infections: Behavioral Counseling**

Umbilical cord blood Several studies mentioned the use of umbilical cord blood at delivery to screen for syphilis; however, none compared this with other methods of testing.

## **Governor's Task Force on Independent Investigations of Police Use of Force**

Tests for central nervous system CNS syphilis infection in infants A study evaluated methods of diagnosing CNS syphilis infection in 148 infants born to mothers with syphilis by comparing the results of rabbit-infectivity tests of the cerebrospinal fluid CSF with clinical, radiographic, and conventional laboratory evaluations IgM immunoblotting of serum and cerebrospinal fluid; polymerase-chain-reaction PCR assay testing of serum or blood and CSF; and rabbit-infectivity testing of serum or blood. Among the more profitable proposals is increasing revenues earned from alcohol by making a variety of changes to the administrative and marketing side of the Oregon Liquor Control Commission and increasing beer and wine taxes.
