The Saucers That Time Forgot: Roswell: The Major's Testimony

Raymond writes in his book: His approach to esotericism was eclectic and open minded, sometimes, in my opinion, too openminded, when presenting channeled messages. You see, we have never interfered before in your race's wars, and barbarity, but now we must, for you have learned to tamper with a certain power that is not for man, namely, that of atomic energy. ASCENSION: Absolutely, and much easier and more common than on the surface.

Flying saucer

One of the reasons for this scarcity of data on Gerald Light is probably because the many booklets and pamphlets he wrote were published on low quality paper, which today is so fragile that it is almost impossible to handle without destroying. . Yes, Agartheans are well versed in intergalactic etiquette and are members of the Confederation of Planets.

Flying saucer

Now completely vegetarian, the Agartha Cities have taken meat substitutes to new heights.

hollow Earth

The theory posits that as the use of the term flying saucer in popular culture decreased, so too did sightings. In India there is an ancient belief, still held by some, in a subterranean race of serpent people who dwell in the cities Patala and Bhogavati.

Index of Cults and Religions

Spotlight on Telos How can over a million people make their home inside Mt. HEIGHT: Due to cultural differences, average heights of subterranean citizens vary.

Håkan Blomqvist's blog: Paranormal phenomena and the paradigm problem

The most important and sensational Brownie photo is the forth as an enhancement shows both part of a craft and a figure, not noticed on the original print. Originally published on Live Science.
