## The History of Musical Worship

To the women have prepared for the grieving at funerals. Bottom line for this church and their decision is they will do what they want to do and nobody can change their mind. These hymns were composed in metrical stanzas, quite unlike biblical poetry. In false worship, we poll the church to find out how we should worship. We learn this from these Scriptures as we are authorized to do see Romans 15:4.

### **Are we supposed to use musical instruments in church?**

However, as one , he, or she, will find very few references to any form of music that occurred before the giving of the Law of Moses. It is disheartening to learn of the changes being allowed to take place.
