One of Britains Tallest Trees

It can accommodate more than 2500 readers at a time. It contains numerous historical treasures; all works that have been printed in Denmark since the 17th century are deposited there. It regained the title when it was climbed in 2010 and measured at 64.

Champion Trees of Bodnant Garden

I would never have thought to plant a Cotinus as a specimen tree as it would take too long to become significant but I am as pleased as punch to have one.

Champion Beer of Britain

Founded in 1788, the Society takes its name from the Swedish naturalist Carl Linnaeus 1707—1778 whose botanical, zoological and library collections have been in its keeping since 1829. A champion is not just the tallest but could be the heaviest, oldest, most spreading or even most the most beautiful. In addition to buying and lending physical and electronic material, we focus on running a business at the forefront of product development.
