Old fans and new will be drawn to the mix of dinosaurs, space, and science-fiction parody. When a mysterious object lands on one of Jurassica's moons, Captain Raptor and his crew set out in their spaceship to investigate. I hope this turns into a series! His specialty is prehistoric animals and historical subjects such as knights, pirates and trains.

Captain Raptor and the Perilous Planet by Kevin O'Malley, Patrick O'Brien, Hardcover

Fan favorite Captain Raptor returns for another thrilling space adventure in this action-packed young nod to graphic novels. The book doesn't have any complicated themes.

Captain Raptor!

Although the text is slightly halting in places, this would be an excellent addition, especially for boys, to any elementary library. Jam-packed with near disasters, death-defying feats, and gleefully melodramatic art, this latest adventure over 10 long years since Captain Raptor and the Space Pirates! And when a wild Pteraspikadon you got to love these names grabs the human commander and flies off, Captain Raptor soars to the rescue.

Captain Raptor and the Space Pirates by Kevin O'Malley

In the spirit of books that once imagined colonies on the moon, Patrick O? The planet Jurassica is in an uproar. A fun, lively reader could really make the pictures and text come alive. Adult James: I can say it's for work and work related research! In-class Uses: 1 Great addition to the classroom library, especially for 2-4 graders.

Children's Book Review: CAPTAIN RAPTOR AND THE MOON MYSTERY by Kevin O'Malley, Author, Patrick O'Brien, Illustrator, illus. by Patrick O'Brien. Walker \$16.95 (32p) ISBN 978

The sinister space pirates have raided the Imperial palace and stolen the famous Jewels of Jurassica. Body language is expressive enough in this debut outing to make a verbal narrative superfluous. .

Captain Raptor!

The artwork and comic book type style were excellently utilized! Illustration was so detailed, engaging, on point, and matched the story. Summary CIP : Planet Jurassica is under siege.
