I was amazed at what vinegar does for alkaline soils, what baking soda does for diseased plants and what vegetable oil does to fire ants.

Organic Gardening for Everyone: Homegrown Vegetables Made Easy

Let The Dirt Doctor's Guide to Organic Gardening be your one-stop source for cost-effective, earth-friendly, complete, and easy-to-understand gardening information. There is so much good information and I just LOVE how she simplifies gardening for everyone.

The Dirt Doctor's Guide to Organic Gardening: Essays on the Natural Way by Howard Garrett

I didn't want to spend a bunch of money and have nothing to show for it. Basics are presented briefly, with many eco-asides that help break up the dense, information-rich text.

Library Topics

Welcome to the Natural Organic Library Topics are in alphabetical order and cover a wide range of natural organic gardening techniques, plants, organic living and other information. I recommend it to anyone who wants to learn how to grow his or her own produce year-round.
