### ASTM International

The Polish economy has grown every year since 1992 by an average annual rate of 4.

### China boosts Russian coal imports after ban on Australian supply

Billy Mawasha, Kolobe Nala Investment Company Pty Ltd KNI is a family-owned business focused on investments in mining, energy and aviation and is headed by Billy Mawasha, who has extensive mining experience with Anglo American, Rio Tinto, De Beers and AngloGold Ashanti to name but a few. Capacity utilisation rates at 126 blast furnaces in Tangshan fell to 78.

### ICE Newcastle Coal and ICE Newcastle Coal Futures

A key message of the event was that coal will be around for at least another 15-20 years and is key for the power and cement industries in SA. They will arrange transportation and customs brokerage of your materials to ensure a seamless transition through Canada Customs. There were problems, as canals were slow, and iron trackways still had to be used in places.

### • Global coking coal forecast by type 2020

Back wall of the washer, front wall of the engine house above. The group reviewed the latest Steel Industry Fatalities statistics, followed by an open roundtable discussion on safety.

### Coke: Dalian coking coal hits two

Given the wide-ranging impact of the pandemic and in line with advice from government and the World Health Organisation WHO, limiting unnecessary human contact is an invaluable precaution. We will cover how standard ideas are introduced, drafted, and publicized as well as review ASTM's electronic tools and time-tested techniques for accelerating the development of your standard.

### ASTM International

Together with the research institutes and technology centres KOMAG, EMAG and GIG, machinery and equipment suppliers work with the Polish hard coal industry to develop and modernise mining. No idea where to get started? I am always looking for old photos of area mines, coke works, or other old industry in Southwestern Pennsylvania.

### **China boosts Russian coal imports after ban on Australian supply**

The outbreak of novel coronavirus and the resultant decline in commercial and industrial activities has further affected coal demand.
