IRS Tax Volunteers

Worldwide production of new physical Vita games ceased by the end of Sony's 2018 fiscal year, which ended on March 31, 2019.

Vita

Overall, Sony fell far short of the worldwide sales targets of 10 million Vitas sold by the end of March 2013. And plenty of them do, since the club boasts more than 16,000 members. In mid-2017, estimated the Vita userbase to be around 15 million.

In the same month, released pictures of an early prototype version showing a -like slide-screen design along with two analog sticks, two cameras and a microphone, though the report mentioned that overheating issues had since caused them to move away from the design in favor of a model more similar to the original PlayStation Portable device. Strong support by Japanese developers also helped, with companies such as , , , , , and releasing many games in the and genre to help kept a steady flow of mid-level releases coming to the system. Sony continued to support the system with games through 2013 as well, albeit lesser so, with titles such as and , along with a handful of other Western-developed ports such as and.

Vita

As a volunteer, you will join the thousands of others who each year prepare millions of tax returns at thousands of tax sites nationwide.

Vitae

Internally, the Vita features a quad-core processor and a quad-core graphics processing unit. Additionally, big games such as sold well and roughly in-line with their home console counterparts.
