English was the official language, and there was no need to introduce legislation to this effect.

### **Civil Rights**

Judge Teresi ruled that the prosecution could not reveal that three of the four officers had fired their weapons at suspects in the past. But, generally speaking, when it is wished to confer honour on a ruling prince, it is conferred, not by a change in the ancient title of chiefship, but by appointment to one or other of the classes of the Orders of the Star of India or the Indian Empire by the addition of descriptive titles by an increase in the number of guns authorised for the salute, such increase being usually a personal one or by the conferment of Honorary military rank in the Imperial army. Their Lordships are not convinced that there is any reason to expect that any of the judges of the court below will act otherwise than in due subordination to the appellate jurisdiction, or refuse to follow the law as laid down by it.

### **Companies Act**

It was unpopular with most Americans because it did not punish Britain for the attacks on neutral American ships. Upon all the original submissions, as thus amplified, the court concludes that defendants' motions should be granted.
