### Ponds

Almost all of the figures — with the noted exception of — are women, many of them fellow artists.

### EUROSCAPES OF WELLINGTON, LLC. LOXAHATCHEE, FL

Patios, sidewalks, fire pits, retaining walls and decorative stone settings are constructed to fit your needs. Sometimes paintings can be intimidating to people and people stand very far away from them, and sometimes people feel like they're actually in the space with this image, and that makes it more visceral, like sculpture, I think.
