### US: President Biden's Environmental Agenda Comes into Focus

We pledge to foster inter-cultural understanding, tolerance, mutual respect and an ethic of global citizenship and shared responsibility. The intergovernmentally agreed conclusions and recommendations of the annual ECOSOC Forum on Financing for Development will be fed into the overall follow-up and review of the implementation of this Agenda in the HLPF. Keynote speaker was Rick Wade, senior vice president of strategic alliances and outreach for the U.

### Biden Environmental Agenda

Similar to the express policy directive to OSHA with respect to COVID-19 enforcement, we expect that measures will be taken to increase enforcement of existing regulations, pending the substantial task the Biden Administration has before it to reconsider and revise the regulations on its review list.

### A Lawless Environmental Agenda

The bill, HB 2456, would duplicate many of the former federal rules and place them under state jurisdiction. Sustainable Development Goals and targets 54. We will work with local authorities and communities to renew and plan our cities and human settlements so as to foster community cohesion and personal security and to stimulate innovation and employment.

### Transforming our world: the 2030 Agenda for Sustainable Development

We will cooperate internationally to ensure safe, orderly and regular migration involving full respect for human rights and the humane treatment of migrants regardless of migration status, of refugees and of displaced persons.

### Biden Environmental Agenda

It also promises more peaceful and inclusive societies. Gail Griffin, R-Hereford, chair of the House Natural Resources, Energy and Water Committee, and Rep.
