Andrew Cunningham & Nicholas Jardine, Romanticism and the Sciences

With increasing academic interest in the forces of transnationalism and globalization, this is a particularly apposite time for the study of Romanticism as a European phenomenon.

0416718809

It illustrates the sublime, so popular with Romantic artists and associated with emotions of greatness and founded on awe and terror. The conservation of an undisturbed natural world is also extremely important to the Transcendentalists. Historical consciousness in the German Romantic Naturforschung Dietrich Von Engelhardt 5.
