### Has Globalisation Altered the Role of the State?

And we even have a hashtag: Calexit Texas Republicans, who just lost their bid to have the Supreme Court overturn the legitimate results of our recent presidential election, talk constantly about secession. This international exchange is just one example of globalization, a process that has everything to do with. Geraldo Rivera slammed Rush Limbaugh on Thursday for recently saying on his radio show that a growing rift between conservatives and liberals was causing the U.

### A Different Type of Secession Is Already Happening in the USA by Jeff Crouere

Texas will give up NASA. They are disassociating themselves from the lifestyles, cultural mores, laws, and self-inflicted wounds exhibited in our large cities. What's more, before it reached your wardrobe, this shirt could have very well been made with Chinese cotton sewed by Thai hands, shipped across the Pacific on a French freighter crewed by Spaniards to a Los Angeles harbor.

### Globalization in the Modern World

Undoubtedly, globalization helps in improving the economic growth rate of the developing countries.

### Has Globalisation Altered the Role of the State?

However, it was only around in the early nineties that India opened up its economy for the world as it faced a major crisis of severe crunch of foreign exchange.

### Lincoln on Secession

Possible Solutions to the Negative Impacts of Globalization: Globalization has impacted the society negatively and some of the solutions might help to mitigate the impacts. Globalization has changed the role of the state politically because of strengthened interstate relationships and dependence on one another.
