The minimum age to vote in European elections, which take place every five years, is established by national law in each of the member states. In politics, an element of drama is necessary.

What does the European Parliament do?

The candidate lists would have to represent a third of member states and are seen as a way to personalise and dramatise the elections to re-engage an apathetic electorate.

What does the European Parliament do?

I want to assure that you can buy from wherever you want, access the information you want and live the full digital life you want, no matter where you choose to go in the European Union.

EU parliament votes for 60% greenhouse gas emissions cut by 2030
