Operating expenses referred to the costs created by generating the electricity sent over the wires to the residence. Adoption of electric appliances frequently required displacing existing nonelectric appliances, as electric cooking had to replace gas cooking. The commission compelled companies to keep accurate books by a methodology it mandated, and it inspected their books.

Housing: Are we paying more and getting less?

Electrical modernization was not social conservation; it was social modernization. Rigid conduit involved armoring insulated wiring with rigid metal pipe and sealing it against moisture. Articles in JASA focus on statistical applications, theory, and methods in economic, social, physical, engineering, and health sciences and on new methods of statistical education.

Housing: Are we paying more and getting less?

Walter Lippmann lacked confidence that Governor Roosevelt mentally grasped the problems he addressed when he picked up the policies of his popular predecessor, Al Smith. Yahoo is part of Verizon Media.
