How to Study Community Power: The Pluralist Alternative on JSTOR

The pluralist interest group market is crowded with competing groups, which undermines their willingness to cooperate with each other.

Politics, Power, and Authority

In Brief: Pluralist and Corporatist Interest Groups Characteristics Pluralist Corporatist Number of interest groups many few Internal organization decentralized hierarchical Coverage low density encompassing Relationship to government lobbying participates in policy-making

Politics, Power, and Authority

Many of them, in fact, were probably voting against his opponent, George Bush, rather than for Clinton himself. Whatever the authority wants to do it must have legal sanction.

Pluralist Theory of Trade Unions: Factors and its Criticism

It brings about increases in wealth and economic productivity, as well as financing advances in science and culture.

How to Study Community Power: The Pluralist Alternative on JSTOR

The best way to do this, pluralists believe, is to examine a wide range of specific decisions, noting who took which side and who ultimately won and lost.

Pluralism (political theory)

The Arab Spring exemplifies oppressed groups acting collectively to change their governmental systems, seeking both greater liberty and greater economic equity.

Theoretical Perspectives on Government and Power

How much of a consequence? It promotes high-energy and dynamic work environments.

Unitarist and Pluralist Managerial Perspectives

They claim that as long as managers continue interacting with employees, they are likely to quarrel. In everyday situations, people use a variety of power tactics to push or prompt others into particular action. But the unhealthy competition ultimately foiled their attempts.
