Human rights in Argentina

The organization works on building capacities of underserved communities and builds platforms for participatory governance. As a whole, although a large number of states continue to disregard or even retard the protection of political and civil liberties, expanding efforts on the ground and in multilateral bodies may prove most significant in the long term.

International Human Rights Training Program

Millions have suffered crimes against humanity. The primary mechanisms include UNSC action, the UNHRC, committees of elected experts, various rapporteurs, special representatives, and working groups. The overall goal of this project is to contribute to the promotion of the human rights of LGBTIQ people in Nigeria by building their resilience and supporting them to handle and endure emergencies, crises, and shocks and to deepen their healing and wellness practices.

Women's Human Rights and Gender Equality

It is a day, observed by many countries around the world, on which women are recognized for their achievements without regard to divisions, whether national, ethnic, linguistic, cultural, economic or political. In short, an increasing number of groups have been recognized by multilateral bodies, states, and publics as deserving equal access to justice. The trial of officers connected with the ESMA, of which the case of the French Nuns formed part, had been curtailed by the due obedience law and presidential pardons.

WHER

E, 95-2 1978 ; S. Based on extensive field research and providing a long historical view extending from colonial times to the present, this study compares the activities of the ten most prominent human rights organizations in Argentina and assesses the responses of both state and society. Survival International is a human rights organization that campaigns for the rights of indigenous tribal and un-contacted peoples.

25 Organizations Fighting for Gender Equality

On 1 April, the 545 names were published in the national newspapers. MATCH International supports women innovators through their breakthroughs of transforming farming practices, child nutrition, and anti-violence campaigns.

25 International Human Rights Organizations

Through advocacy, the Civil Rights Defenders provides expertise and support to human rights defenders while holding those in power accountable for their actions.
