She assembled the quilt according to a style she'd seen years earlier in Russia, laying scraps of fabric one beside the other. Even the doors in her apartment were decorated with poems scrawled by her many poet friends.

Who is Sonia Delaunay?

The picture sings with modernity and modernism; even the perspective appears to place the viewer in the position of a pilot like Louis Blériot, the man whom Delaunay had celebrated in his pictures. Cologne, Kölnischer Kunstverein, Autour du Cubisme, April - May 1964, no. Sonia and Robert married in 1910, after Sonia and Uhde amicably divorced.

Who is Sonia Delaunay?

Delaunay became popular at a moment in which fashion was significantly changing for young European women. About 1911 I had the idea of making for my son, who had just been born, a blanket composed of bits of fabric like those I had seen in the houses of Russian peasants. The subjectivity of color, as well the realization that vision was a state of perpetual flux, was a reflection of the unstable world of political and social change in which the only thing man could verify was his individual experience.
