## A Brief History of Columbia University in New York City

Pei's architecture was a drastic, albeit consistent, contrast to McKim's neoclassical wonders.

## A Brief History of Columbia University in New York City

Controversy preceded the founding of the College, with various groups competing to determine its location and religious affiliation.

## King's College

CXII, of the Columbia Daily Spectator, April 24-May 8, 1968, and Connection, a magazine supplement, no.

## How Columbia's Student Uprising of 1968 Was Sparked by a Segregated Gym

The third was Charles Follen McKim, of the design firm. In addition to reclaiming the identity of Columbia College and making it the focus of the newly rearranged , Low was also responsible for the monumental relocation of the university to its current location atop a hill in in uptown.

## History of the Morningside Heights campus

Columbia's fourth home: Morningside Heights Low's greatest accomplishment, however, was moving the university from Forty-ninth Street to the more spacious Morningside Heights campus, designed as an urban academic village by McKim, Mead, and White, the renowned turn-of-the-century architectural firm. Details on this are even scantier than on the Library, but the new structures would have housed at least 2,000 students - the entire incoming freshmen and sophomore class of the projected expansion to 4,000 students from 2,700.

## Columbia College Passes Historic Vote on Divestment from Israel — The Morningside Post

Among the most prominent buildings on the site are the 20-story Julius and Armand Hammer Health Sciences Center, the William Black Medical Research Building, and the 17-story tower of the. The booklet also includes drawings, diagrams, area maps and a photograph of the site after demolition had commenced in 1857.
