### Nihonto: Real Japanese Samurai Swords

Are wa Nihon no kuruma desu.

### Nihonto: Real Japanese Samurai Swords

I mean, if it wanted to list every instance of when things are written in Romaji as either Nippon or Nihon, the article would be never-ending. Either way, one thing is certain. If the Americans don't know the difference between UK and England, I can't expect the Japanese to know either.

### Nihonto: Real Japanese Samurai Swords

It gave some examples, but clearly not all, as listing all is not necessary.

### Nippon or Nihon? No consensus on Japanese pronunciation of Japan

And as there are only 24 hours a day, 168 hours in a week, by spending so much time on learning kanji, they don't have as much time to spend on other topics.

### Nippon or Nihon? No consensus on Japanese pronunciation of Japan

Anyway, one of those reasons, as the author pointed out, is because when it spread through Europe the name different slightly. A flower was a pana; you mother was your papa.

### **Nihongo o Narau**

Add that to the fact that it's not that common for a Japanese person to be unsure of the pronunciation of another Japanese person's name when written in kanji without furigana. Japan would do well to simplify their language quite a bit, and go with hiragana only.

### **Learn Japanese**

Just for fun I asked him how many centimeters it was.
