Colonial India

Thank you for engaging in this conversation with me. At the height of French power in the mid-18th century, the French occupied large areas of southern India and the area lying in today's northern and.

MA French in India, Course, Admission, Eligibility, Syllabus, Fees 2021

The course fees vary for the specialization and institute chosen by the student. Vasco da Gama requested permission to leave a factor behind in charge of the merchandise he could not sell; his request was refused, and the king insisted that Gama should pay customs duty like any other trader, which strained their relations.
