## Blue Collar Definition

There is evidence that this leads employers to reject legally entitled leaves Budd and Brey 2000. Evidence of the vital role of unions in implementing labor protections can be found in the research on various programs and benefits. The support worked, and the BSCP found that African Americans in Chicago not only distrusted unions because of their history of racial exclusions, but also saw labor protests as disreputable and perceived the Pullman Company to be the friend of the black community.

## Questia

The war did help to provide the necessary impetus to pass the Nineteenth Amendment to the U. While differences in the prevalence of stable marriages had been most evident across racial black-white lines, they now sort by income levels, with single-headed households as common among poor whites as among other poor racial groups, and marriage rates at the top of the income distribution much higher across all races.

## How unions help all workers

Although NIRA, and its Section 7a, were quickly found unconstitutional, the support of the federal government for labor organizing helped strengthen an already growing surge in rank-and-file labor organizing. Another way of looking at youth employment, or the lack thereof, is by focusing on — that is, young people who are neither employed nor in education or training.

## Questia

Photo by Ben Shahn for the Farm Security Administration, 1938. The Great Migration, as this movement of black southerners to industrial cities has been called, began a process that not only transformed the lives of the migrants but also fundamentally changed the populations and politics of major American cities.

## White

The historical basis for the two terms may not have changed radically from their origins. Teens spend 26 minutes a day, on average, doing paid work during the school year, compared with 49 minutes about a decade ago and 57 minutes in the mid-1990s, according to a recent Pew

Research Center from the BLS. Interactive tools and videos bringing clarity to the national dialogue on economic inequality.
